The public are hereby informed that the right to fish in the Ennore Backwater from the Attipat South factory barrier up to the Thilai sand bag lock of the Attipat North factory with the exception of the waters within one furlong of north or south of the 100 feet bridge, will be sold by auction by the Inspector of Salt, Abkari and Customs Department, Ennore Circle at Kathiwah, on 24st March 1913 at 10 a.m. subject to the following conditions

2. A deposit of Rs. 5 must be made by every intending bidder previous to bidding.

3. No person will be allowed to bid on behalf of another, unless he holds a power-of-attorney from him authorizing him to do so.

4. The selling officer may, for valid reasons, refuse to accept any bid and in cases of dispute, his decision will be final. If, for any reason, the highest bid is rejected, the selling officer may at his discretion either accept the next highest bid or put the lot up to auction afresh.

In the latter case, the forfeited deposits will be deducted from the loss arising from the resale and the remainder, if any, will be recoverable from the defaulter. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government.

The Standard Barometer and Thermometers are read at 6 a.m., 10 a.m., 4 p.m. and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the Barometer is twenty-two feet above the level of the sea, and the receiver of the rain gauge is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since January 1st is 0·37 inch, the average due for the same period being 1·23 inches.

Notice is hereby given that twenty candidates will be entertained for the Indian Subordinate Medical Department, Sub-Assistant Surgeon Branch, Madras.

2. Candidates must not be below sixteen nor above twenty years of age on date of admission into the *Medical School*, i.e., on the 1st of July next, and they must produce testimonials (in original) as to character signed by other Europeans or Indians of respectable position, and certificates of age, vaccination, personal marks and physical fitness for military service signed by a Registered Medical Practitioner as defined in section 3 of the Madras Medical Registration Act, 1914, as well as certificates of having passed the necessary educational standard. Ward orderlies recommended by the Medical Officer under whom they are serving may compete for the Indian Military Pupil class under the same conditions except that in their case the maximum age limit is extended to twenty-five years.

3. Admission is equally open to the sons both of soldiers and of persons engaged in civil occupations; but, other things being equal, preference will be given to the sons of Indian Commissioned and Non-Commissioned officers and soldiers.

4. Candidates who have passed the compulsory portion of the Upper Secondary Examination or the Matriculation Examination of the Madras University or who hold completed Secondary School-Leaving Certificates will be eligible to compete; in the case of holders of these certificates, however, a selection will be made by the Surgeon-General. Students who have been dismissed from medical schools for inefficiency or misconduct are not eligible to appear for examination.

5. If the number of applicants exceed the number required, a competitive examination will be held at any Military or Civil station of the Madras Presidency or of Burma where there may be a Medical Officer to superintend the candidates.

6. The examination will be held on Thursday the 15th May next, and will be conducted by means of printed papers. Candidates will have two papers to answer—one a paper on English Grammar and Language, the other a paper on Translation from English into the candidate's vernacular.

7. Applications for admission to the examination made out in manuscript in the form prescribed in this notice and accompanied with the certificates referred to in paragraph 2 above, must be sent to the Personal Assistant to the Surgeon-General with the Government of Madras in the case of holders of Secondary School Leaving Certificates and to the undersigned in other cases, on or before the 31st March 1919. Each application must be superscribed "Application for admission to the examination for Indian Military Pupils," and be accompanied by a receipt showing that the examination fee of *Rupees ten* has been paid into a Government treasury. This fee will not be refunded, nor will it be reserved for a subsequent examination. Applications from candidates over the prescribed age and those received after the due date will as a rule be considered. No notice will be taken of applications for exemption from the age limit and of those which are defective as regards the required documents.

8. Holders of completed Secondary School-Leaving Certificates should forward their certificates along with their applications. In the case of candidates who will complete their Secondary School-Leaving Certificates during the course of the current year, they should forward with their applications (1) a conduct as well as an age certificate obtained from the head of their schools which should invariably be an extract from their Secondary School-Leaving Certificates and (2) an extract certified by the head of the school showing the marks obtained at the last two terminal examinations. No selected candidate will be admitted to the Medical School, unless his parent, guardian or friend executes a security bond on his behalf, before his admission, undertaking to refund to the State the cost of the pupil's education if the latter refuses, on completion of the course to accept service in the Indian Subordinate Medical Department and to sign the required declaration, or, if he, before completion of the course, leaves the school without permission or is dismissed therefrom for misconduct or refuses to join the Medical School he may be posted to for training. 3. *Shorthand*.—Candidates in this subject will be allowed to transcribe their shorthand notes with a type-writer. They will not be supplied with any 'thick' paper for the purpose, but will be allowed to bring with them their own 'thick' paper, if they wish to use such paper. If the machine used by a candidate, however, goes out of order, an extra time will be given to him to compensate for loss of time while the machine is out of order and being put right.

4. *Type-writing*.—Heads of institutions who are desirous that their pupils in this subject should be examined in batches, should make the necessary arrangements with the Chief Superintendent concerned *three days* before the examination in this subject and furnish him with all necessary information as to the number of candidates and machines and the time at which each batch should attend on the day fixed for the examination.

At least every *three* candidates must have *one* machine among them for the batch examination.

Instructors of institutions concerned will be allowed into the examination room *at the intervals to note the completions of the various batches* to inspect the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate the fact to the instructor if he is waiting outside on the premises and will permit him to enter the room (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the instructor. *No extra time will be given to a candidate to compensate for loss of time while* the machine is *out of order and being put right.*

5. *Needle-work and Dress-making*.—Candidates must bring to the examination room, scissors, thimbles, measuring tape, materials for the fancy work, specimens of their finished work, and sewing cotton.

(1) On the constitution of an irrigation panchayat under the last section, the District Collector may place any irrigation work or any portion thereof which he considers suitable for management by a panchayat, under the control of the panchayat subject to such conditions as may be prescribed by any rules framed by the Governor in Council in this behalf.

(2) Subject to the rules mentioned in clause (1) and to any further rules that may be framed by the District Collector in this behalf, a panchayat appointed under section 4 shall have power—

(*a*) to demand from the village community such customary aid in connexion with the irrigation work under its control as may be demanded by the village headman under section 6 of the Madras Compulsory Labour Act of 1858, to determine the amount to be recovered from any person in lieu of such labour and to recover that amount and utilize it as provided in the aforesaid Act,

(*b*) to regulate in respect of any irrigation work under its control the manner and the order in which the lands in the village under that work shall be irrigated, the time of the commencement of the issue of water, the period down to which the supply of water shall continue and the quantity to be let out,

(*c*) generally to take such steps as may be necessary in order to secure the proper maintenance of any irrigation work entrusted to its control and the due utilization of the water contained therein.

6. Any panchayat constituted under section 4 may frame such by-laws as it may deem expedient for the purposes set out in the last preceding section and shall publish such by-laws in the village in such manner as the Governor in Council may direct.

7. (1) Any person who in contravention of the by-laws framed and published by the panchayat under the preceding section irrigates, or causes or permits to be irrigated, his land from any irrigation work under the control of that panchayat shall be liable to pay, by order of the panchayat, a penalty not exceeding Rs. 20 per acre for any land in his holding so irrigated and the panchayat may stop the supply of water to such land until the penalty is paid or attach the movable property of the defaulter to the value of the penalty in the manner laid down in section 52 of Madras Act I of 1889.

(2) Such penalty shall be without prejudice to the imposition of any enhanced water-rate which may be imposed under the rules made by the Governor in Council under the Madras Irrigation Cess Act, 1865, provided that any enhanced waterrate which may be imposed under these rules shall be reduced by the amount of any penalty which may have been imposed and collected by the panchayat under sub-clause (1) of this section.

(3) No appeal shall lie to the Collector except on the ground that the by-law or order of the panchayat under clause (1) is contrary to the orders passed by the Revenue authorities or to any terms or agreement recognized by them or that it is contrary to law.

(4) No Civil Court may take cognizance of any suit relating to any order of the panchayat imposing a fine or stopping water except on the ground that the order or by-law is contrary to law or a decree of a Civil Court.

8. All penalties and other sums which may be received by a panchayat shall be utilized for the purposes of this Act.

9. (1) If in the opinion of the District Collector any panchayat persistently makes default in the performance of the duties imposed upon it by this Act or exceeds or abuses its powers, such Collector may, after giving an opportunity to the members of the panchayat to be heard in their defence, order the panchayat to be dissolved.

(2) Where a panchayat has been ordered to be dissolved, the members thereof shall vacate their office from the date of the order of dissolution and the District Collector shall take charge of any moneys which may be in the hands of the panchayat and shall utilize the same on such purposes and in such manner as may be directed by the Governor in Council by rules under this Act.

10. No member of the panchayat shall be liable to be sued for any act done in good faith in pursuance of the provisions of this Act and no suit or application shall lie in any Civil Court for the issue of an injunction to restrain the panchayat or any member thereof from exercising any of the powers conferred under this Act.

11. The Governor in Council may make rules for the purpose of carrying out the provisions of this Act and may alter the rules from time to time—

(1) for the conduct of business by panchayats and for the maintenance of a record of their proceedings,

(2) for the election of the members of the panchayat,

(3) for the election of the president of a panchayat,

(4) for defining what is meant by 'customary aid' in section 5 of the Act,

(5) for declaring the objects on which expenditure may be incurred by a panchayat,

(6) for the guidance of the District Collector in the exercise of the duties assigned to him,

(7) for the conduct of inquiries by panchayats,

(8) generally for the purposes of this Act.

12. The Governor in Council may appoint any officer in addition to the District Collector to exercise any or all of the powers of a District Collector under this Act.

STATEMENT OF OBJECTS AND REASONS.

The working of the kudimaramat system has been unsatisfactory in many districts of the Presidency. The existence of factions in villages, the absenteeism of landlords, the want of co-operation among the ryots, added to the cumbrous nature of the procedure under the Madras Compulsory Labour Act of 1858, are among the principal causes which have led to its failure. It is thought that a remedy for these defects will be found in a development of the panchayat

system. Informal panchayats have already been formed in some villages to regulate the distribution of water, to provide for the performance of customary repairs to tanks and channels and to settle irrigation disputes. If legal force is given to the decisions of such bodies, their influence will be greatly increased. The object of the present Act is to institute irrigation panchayats on a statutory basis.

FOR INFORMATION.

The Madras Electric Supply Corporation, Limited, under its three licences, covering the supply of electrical energy to Madras City, Madras Port, and Madras Cantonments is permitted to charge 8 annas per unit for lighting only, and 4 annas for industrial power purposes, under the latter category the ordinary domestic fan is included.

With a view to assisting consumers to keep the cost of installing electric lights and fans in their premises to the minimum, the system of single wire was introduced at the commencement of the supply, for which the Corporation is only permitted to charge 4 annas per unit. The Corporation finds it financially difficult to continue supplying at this rate, which was fixed fourteen years ago, and prior to the introduction of the modern high efficiency wire filament lamp.

The Corporation, however, to avoid serving notice to its consumers to separate the wiring of the fans and lights in their premises, proposes to introduce, for three years only, a combined tariff of 5 annas for each unit. This proposal is made in the interests of the consumers to avoid the expense and inconvenience of separating their wiring.

The proposed tariff of 5 annas for each unit consumed by fans and lights on a combined circuit, is considerably below the charges made in other cities in the East, similarly situated to Madras.

Venkatachalam Chettiyar Avargal of Devakottai, in the Ramnad district, has, under section 6 (1) of the Charitable Endowments Act, 1890, made an application for the settlement of a scheme for the administration of the charity established by his father on the site of the Manpammal Chatram under the control of the District Board, Madura, and the endowment of the melwaram income of the villages attached thereto, namely, Idayangulam and Sengakoil Aladi Thava villages of Sivagunga Zamindari, Ramnad district, to the extent of Rs. 1,200, the Governor in Council, in exercise of the powers conferred by section 5 (2) of the Act, doth hereby direct with the concurrence of the said Mutta K. R. V. Alagappa Chettiyar that the said property shall be administered by the said Mutta K. R. V. Alagappa Chettiyar and his heirs and assigns subject to the following conditions:—

(1) The income derived from the villages not exceeding Rs. 1,200 per annum shall be utilized for feeding 12 adult Brahmans on every Dwadasi day and for distributing butter milk (*Pachadi*) and Panamalai water or in its absence other water approved by the District Board, Madura, from 8 a.m. to sunset daily to all persons without distinction of caste.

(2) The building, viz., the water-shed and rest-house which has been built by the said Mutta K. R. V. (4) Neither the said Mutta K. R. V. (5) So long as the charities are conducted, the said Alagappa Chettiyar and his heirs, etc., shall keep the building in thorough repairs at their cost and shall meet the charges incidental to the maintenance of the building subject to the approval of the District Board.

(6) The District Board may, whenever it thinks necessary, request the said Alagappa Chettiyar to make additions to the building by erecting rooms downstairs and upstairs and he must, if he has funds of the endowment available with him sufficient to construct the same, do so within a reasonable time, the additions being used exclusively for Brahman travellers without rent.

(7) If the said charities be not conducted to the satisfaction of the District Board without lawful excuse and notwithstanding warning from the District Board by the said Alagappa Chettiyar or his heirs, etc., the District Board shall take possession of the building and the endowed villages to the extent referred to above, from the said Alagappa Chettiyar and his heirs and assigns and conduct the same for ever and ever.

(12) The separate account of the receipts and disbursements of the charities shall be maintained by the said Alagappa Chettiyar and his heirs, and the savings if any shall be deposited in the name of charity. If the savings exceed Rs. 500 at any time the said Alagappa Chettiyar and his heirs shall utilise the same in furtherance of the object of the charity with the approval of the District Board

(13) If the income from the endowed property in any particular year is not sufficient to meet all the expenses of the charity for that year, the deficiency shall be made up from the amount, if any, deposited in the name of the charity as provided in paragraph (12), but if there is no amount in deposit then the charity shall be conducted in proportion to the income derived from the endowed property for that year.
